

Members:

After the meeting of the executive board and after due consideration, it was decided that the OUTDOOR RANGE will stay open and the INDOOR RANGE WILL REMAIN CLOSED TO ANY ACCESS SUBJECT TO FURTHER NOTICE. All the disciplines of the OUTDOOR RANGE will be able to resume subject to the following:

1. Social distancing must be adhered to;
2. Masks may be worn if the member desires to do so;
3. Everyone must use common sense while on the property.

Anyone seeking to participate in any of the outdoor range disciplines should contact the discipline lead with any questions concerning the discipline event.

Trap will have a "Work Party"/trap shoot on May 19 at the regular time. Trap will resume as usual on May 26, 2020.

Additional information on other issues addressed by the board will be reported in the May 2020 newsletter.

Thank you.
